BOOK SYNOPSIS

Download the first five chapters of LOVE LETTERS TO THE DEAD by Ava Dellaira. It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more-though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. This luminous debut novel has garnered exuberant pre-publication praise from Laurie Halse Anderson, Jay Asher, Gayle Forman, and Lauren Myracle, and foreign rights have sold to six countries.
