His suspicions put him on the trail of a mysterious young woman who appears to have been present at each scene of a years-long string of "accidents" and murders, and who may well be that most rare of killers: a female serial. Roarkes hunt for her takes him across three states...while in a small coastal town, a young father and his five-year old son, both wounded from a recent divorce, encounter a lost and compelling young woman on the beach and strike up an unlikely friendship without realizing how deadly she may be.
