BOOK SYNOPSIS

A classic entry in Chester Himes's trailblazing Harlem Detectives series, *Cotton Comes to Harlem* is one of his hardest-hitting and most entertaining thrillers. Flim-flam man Deke O'Hara is no sooner out of Atlanta's state penitentiary than he's back on the streets working the scam of a lifetime. As sponsor of the Back-to-Africa movement, he's counting on a big Harlem rally to produce a massive collection—for his own private charity. But the take is hijacked by white gunmen and hidden in a bale of cotton that suddenly everyone wants to get his hands on. As NYPD detectives "Coffin Ed" Johnson and "Grave Digger" Jones piece together the complexity of the scheme, we are treated to Himes's brand of hard-boiled crime fiction at its very best. From the Trade Paperback edition.

COTTON COMES TO HARLEM - Are you looking for Ebook Cotton Comes To Harlem? You will be glad to know that right now Cotton Comes To Harlem is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
