## BOOK SYNOPSIS

I have been an Instructor for 10 years with probably one of the best pass rates in the country by using the methods in this book devised by myself. I built them into routines and then collated each routine and created my book that help my trainees pass fast and nearly all of them first time. There is no other book on the market that teaches how to pass your test to this level. Learning to drive can be an exciting, exhilarating, or even a frightening thing to do for some people, imagine knowing what to do before getting into the driving seat; wouldn't that feeling of knowledge make you more comfortable or even confident? It takes you through what you are learning is the correct and proper procedure for each exercise. There are step-by-step easy exercises to run through and routines to remember. It will help you understand what the examiner expects on all the parts of driving. PLEASE CHECK THE FILE SIZE/PRINT LENGTH (in product details below) OF ANY SIMILAR BOOK BEFORE YOU BUY. If you are learning to drive now, or thinking of starting lessons, think how much you could save.
