BOOK SYNOPSIS

Protecting your child from sexual abuse can be as easy as opening a book. Author Joelle Casteix has filled the need for an easy-to-read “toolkit” for parents when it comes to preventing childhood sexual abuse. When her own child was born, she was deluged with tomes that covered everything from breastfeeding to choosing the right college. But one book was noticeably absent. It’s the book that can help parents take action to prevent their child from becoming another statistic. The Well-Armored Child gives parents the tools and strategies to understand how predators “groom” children, why many of our trusted institutions cover up abuse, and how to empower children without shame, fear, or inappropriate discussions of sex.
